Preview November's Ballots Online

WAUKEGAN, Illinois – County Clerk Willard Helander announced today that registered voters in Lake County may now preview their official ballot at LakeVoterPower.info using the "What is on My Ballot?" link.

The user is prompted to supply registration name, house number, zip code and date of birth to view the correct ballot for one's address.

Sample ballots may be printed, marked with the voter's choices, and taken into the polls for reference when voting.

"The one-click web tool to preview the official ballot prior to voting is very helpful to voters studying candidates and referendum," said Helander. "Our expanded online services have received positive response from our web users."
